MOZAMBIQUE SAMPLE ITINERARY

Day 01 - 03

Your flight departs Vancouver in the late afternoon, you will connect in London the following day but due to the time change and distance of traveling, you do not arrive into South Africa until the morning of Day 03. On arrival in Johannesburg you will be met and immediately transferred out of the city to Mpumalanga. On arrival you will have lunch and a quick tour of the area before settling in at the Sabie River Camp where you will be accommodated in their traditional tented rooms (complete with ensuite facilities).

Day 04

After a leisurely morning breakfast (as you slowly get over your jet lag) you will have a little more time to explore the area around the camp before departing for Shalati and the Hoedspruit area. Shalati is a custom designed village which combines a fascinating tapestry of African Culture and an exceptional wildlife experience. The park area covers 25,000 hectares and is set between Kruger National Park, Timbavati, Sabi Sand and next to Manyeleti. It is a prime ecotourism destination - rich in its abundance of wild animals, notably the 'big five' (lion, white rhino, elephant, buffalo & leopard). On arrival here you will visit the Moholoholo Animal Rehabilitation Centre. The Centre contributes to the conservation of endangered species and the rehabilitation of injured and poisoned wildlife. Rehabilitated birds and animals are returned to the wild and those not so fortunate, due to the nature and extent of their injuries, are used to educate visitors to the centre. It also facilitates a number of successful breeding programs.

While in the area you will be staying directly in the Shalati village in their twin chalets.

Day 05

Your morning here will begin with a bush walk through the park area around Shalati and a visit to the local school. For those that want a little exercise, you can go out for a little mountain biking that afternoon and later, there will be opportunity for an evening game drive before a traditional Boma dinner.

Day 06

You will depart Shalati in the morning and drive on to one of the most famous game parks of South Africa Kruger National Park, where you will experience some of the best game viewing, this region has to offer. Your evening will be spent at Kwa Madwala.

Day 07

Your early morning will see you out for a game drive before breakfast. The Kruger area is known for all of the big game viewing that you imagine when thinking of Africa. Besides seeing virtually all of the Big 5 game and numerous other animals you will experience some unique elephant interaction after breakfast and learn about their behavior in the wild and captivity. You will be introduced to their unique and individual personalities, as you touch, feed and listen to them. Later that afternoon, you will depart the Kruger area and cross the border into Mozambique. You will arrive into Maputo early evening and spend the night at the Rovuma Carlton Hotel.

Day 08 - 15

After breakfast you will meet the host organization that you will be working with and plan out the routine for your work here. Your days will be full, rewarding and heart wrenching all at the same time as you spend your next week working with some of the street kids and orphans in Maputo. Your work will involve teaching in the orphanage plus providing care and education to the homeless kids on the street. You will see that part of Africa that is tragic but hopefully help create a corner of hope for those most in need of it.

Day 16

You will depart Maputo mid afternoon on the short flight to Johannesburg and your evening flight to London.

Day 17

After an early morning arrival into London, you will make the connection to Air Canada and the flight back to Vancouver. With the time change working to your advantage this time, you will arrive back in Vancouver late that same afternoon.
