For your first full day in the country, you will be taken on a ½ day guided tour guided to visit the striking Acropolis, Acropolis Museum and Parthenon. The tour ends in the lively Plaka district where you can stay and explore if you wish. Late that afternoon, there will be a welcome cocktail party to get acquainted with the entire group.

Oct 17

Your time in Athens continues with another ½ day tour of sites such as the Hellenic Parliament, near Syntagma Square, where you can see the Changing of the Guard. Afterwards, there will be a visit to the Temple of Olympian Zeus and the Panathenaic Stadium, where the first modern Olympic Games were celebrated. The remainder of the day is free to explore or relax as you wish.

Oct 18

After breakfast, you will check out of your Athens hotel and transfer to Costa Navarino, renowned as the ultimate golf destination in Greece. Located in the Peloponnese region, not only are you surrounded by unparalleled natural beauty, you are within close proximity of enchanting places such as Ancient Olympia, Methoni and Nafplio. On arrival, you will get checked into your hotel, the Romanos Resort, so to enjoy an incredible unspoilt, breathtaking seaside landscape, crafted by 4,500 years of history.

Oct 19 - 23

Over these 5 days you will enjoy 4 rounds of golf at the destination named “World's Best Emerging Golf Destination 2022” by World Golf Awards. Costa Navarino offers a world-class golf experience with its four 18-hole signature courses: The Dunes Course, set in diverse natural scenery with spectacular sea and river views, takes its name from the tall dunes that separate several holes from a golden beach, The Bay Course offers panoramic sea and mountain views, with two holes playing along the historic Bay of Navarino while The International Olympic Academy Golf Course and The Hills Course offer players a challenging game and breath taking sunsets.

When not golfing, you can spend time at the three spa centres, over 40 dining venues, a wide range of sports, outdoor and cultural activities, plus an array of 5-star services. The destination is enriched by Navarino Agora, a curated marketplace and incubator of art and culture that combines shopping, dining and entertainment with cultural happenings.

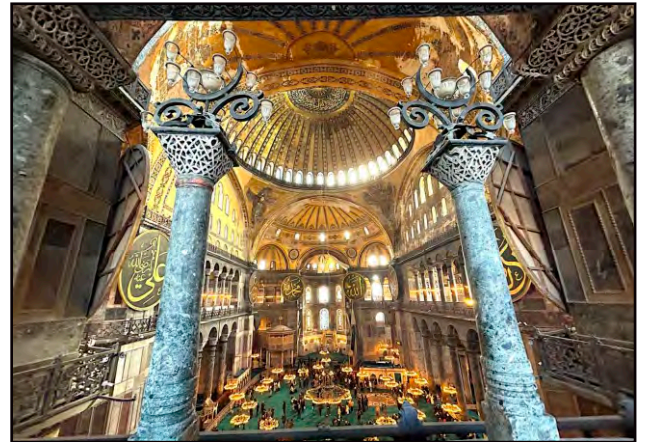

Oct 24

It is time to say good bye to Greece as you head back to Athens to catch your afternoon flight and your next adventure, Turkey. The captivating city of Istanbul, the fantastical rock forms of Cappadocia, the ancient ruins of Ephesus, and the glimmering Mediterranean and Aegean coastlines are the biggest draws in Türkiye, as Turkey is now known. On arrival in Istanbul, you will be transferred to your hotel, the Hagia Sofia Mansions.

Oct 25 - 26

One of the world's greatest cities, Istanbul should be on every traveler's must-visit list. Highlights in the Sultanahmet district such as the Hagia Sophia – the city's famous Byzantine basilica-turned-mosque and the lavish palace of the Ottoman sultans attest to the city's centuries-long history as the hub for powerful empires. Each day, you will enjoy ½ day tours that explore these sights and more. While you are exploring the wonders of Istanbul, your golf clubs will be shipped ahead to your next golf destination, Belek.

Oct 27

This morning you depart Istanbul on the short flight to Izmir where on arrival you will be taken for a visit to the ancient city of Ephesus. Located about an hour's drive from Izmir, Ephesus is one of the best-preserved ancient cities in the world. Walk along the marble streets, explore the grand theater, and marvel at the Library of Celsus. This UNESCO World Heritage site is a testament to the grandeur of the Roman Empire. After your tour is complete, you will take the short drive to the seaside resort town of Kusadasi where you will spend the night.

Oct 28

Once again you are up early in the morning to head back to the airport for the flight to Antalya. Here you will be transferred to the all-inclusive seaside resort, the Cornelia Diamond Hotel, and prepare to resume the golf portion of the trip. Turkey is truly a golfer's paradise, renowned for its excellent golf courses designed by world-class architects. The last decade has seen the country join the likes of Spain and Portugal as one of the best destinations for golf holidays in continental Europe.

Carya

Oct 29 - Nov 01

Your next 4 days will have you playing the following courses in the Belek area. Carya - there is nothing in Belek like it and very little in Iberia, too. For something similar visually to its heather and pine-lined fairways, you must look to one of the traditional courses in Belgium, Germany, France and, especially, the Netherlands; Montgomerie Max - Turkey's first host of a European Tour event is set in over 100 hectares of mixed pine and eucalyptus forest. Eight lakes come into play and there are waste areas as well as bunkers on a course that reaches its high points in the middle of each nine; Gloria – home to 54 holes; Gloria's Old has long been one of Belek's most technically-accomplished courses and the New was built nearly a decade after the Old, but is rated as the resort's No.1; Cornelia - there are 27 holes at this resort, the romantically-named Sempronia, Gaius and the Tiberius. They combine to create three different courses – with the common theme being Sir Nick Faldo, who oversaw their creation.

When not golfing, once again, you will be enjoying the facilities of your 5-star resort overlooking the mediterranean.
